Baseboard

NOTE - Open the seat cushion box first.  
Due to compression, max comfort reached after 3-5 days.

- 1.** Connect the two arms to the backrest using the wedge brackets.

- 2.** Ensure sofa bed is positioned away from walls and carefully rotate the sofa bed on its back.

- 3.** Screw baseboard with green lining up, onto frame using long thread legs in the order shown.

Use coloured stickers on armrest and backrest as alignment guide

- 4.** Screw second baseboard with the velcro facing in, onto frame using the longer length thread legs in the order shown.

Use coloured stickers on armrest and backrest as alignment guide

# 5.

Screw in connector plate using the shorter thread leg.
